

2023-2024 Student Summer Reading

Recognizing the important role that reading plays in education and character development, Saint Andrew's requires rising K-8 students to complete summer reading. All grades have 2 required reading books this year, however students are encouraged to read more than just the two books on their list! Students should have access to the summer reading books after we return to school in the fall as they will complete projects and discussions about the reading in class. Happy reading!
