

Saint Andrew's United Methodist Day School seeks qualified per diem **substitute teachers** for all subjects in Pre-Kindergarten through 8th grade.

Located just outside Annapolis, Maryland, Saint Andrew's enrolls students in preschool through eighth grade. Founded in the Methodist tradition and affiliated with Saint Andrew's United Methodist Church, we are a welcoming community that invites families of all religious traditions to join us in the important work of helping young people grow into responsible, caring young adults.

Our rich academic program promotes in students the development of productive work habits and the mastery of essential academic content and skills. Interdisciplinary lessons are commonly employed throughout the curriculum. Teachers design lessons that encourage our students to think creatively and work collaboratively.

Our 20 acre campus includes a small farm, garden, and outdoor learning spaces. With an academic program rich in the arts and sciences, our teachers understand the importance of teaching to the needs of each individual child.

Applicants must have a relevant college degree and experience working with children. Because of the nature of a school environment, there may not be substitution possibilities every day. School hours are 7:30 AM – 4:00 PM.

Saint Andrew's United Methodist Day School is an Equal Opportunity Employer. Saint Andrew's welcomes and celebrates diversity, and we are committed to creating an inclusive environment for all members of the community.
