

Welcome to Second Grade! I am looking forward to seeing all of you. Below I've provided some items you'll need for this academic school year. Please let me know if you have questions. If you have any trouble finding any items, please don't stress. I will be happy to help. The most important thing your child will need is a positive attitude! I can't wait for us to have a magical year! Please store the reusable supplies at home and return at the beginning of the year.
